2017 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Montgomery Township #2

FISCAL YEAR: January 1, 2017 to December 31, 2017

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2017 proposed Annual Budget and make comparison to the 2016 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The total budget increases 2% (\$18,000.00) for 2017, with the most significant increase in the cost of maintenance and general operating expenses.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation increases 2% (\$17,610.00) for 2017, however due to an increase in ratables in the fire district the tax rate decreases slightly (\$0.046 vs. \$0.047 per \$100 assessed valuation). The district is utilizing \$25,800 of its general (unrestricted) fund to offset 2017 appropriations.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The property tax levy cap limits the district, without voter approval and with certain exclusions, to a no more than 2% increase in the amount to be raised by taxations. The maximum allowable levy for 2017 is \$920,517.00. The budget proposes raising \$901,000.00 by taxation, which is within the property tax levy cap.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

The district has no plans to pass a Resolution for the Release of Restricted Fund Balance.

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The district has no capital purchases in its 2017 budget. The budget does include an appropriation of \$250,000.00 to be placed in the Restricted Fund as a reserve for future capital purchases. The district has no debt service obligations.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

None.

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

The budget provides \$4,000.00 for the purchase of equipment or supplies for use by the Montgomery Township Emergency Medical Services.

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$ 1,954,123,833
Proposed Tax Rate per \$100 of Assessed Valuation	\$ 0.046

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	XX	Yes		If yes, how much is appropriated?	\$
----	----	-----	--	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?

No		Yes

WHEREAS, N.J.S.A. 40A: 14-68 states that in any municipality not having a paid or part-paid fire department and force, the governing body, by ordinance, may contract with a volunteer fire company or companies in such municipality, for purposes of extinguishing fires, upon such terms and conditions as shall be deemed proper. The members of any such company shall be under the supervision and control of said municipality and in performing fire duty shall be deemed to be exercising a governmental function; however, the appointment or election of the chief of the volunteer fire company shall remain the prerogative of the membership of the fire company as set forth in the company's certificate of incorporation or bylaws; and

WHEREAS, N.J.S.A. 40A: 14-81 states that commissioners of a fire district shall have the powers, duties and functions within said district to the same extent as in the case of municipalities, relating to the prevention and extinguishment of fires and the regulation of fire hazards; and

WHEREAS, the Commissioners of Fire District No. 2 in the Township of Montgomery, County of Somerset, New Jersey and the Montgomery Township Volunteer Fire Company No. 2 have negotiated an agreement for the provision of fire protection services to the fire district to be provided in return for the Commissioners of Fire District No. 2 and Montgomery Township Volunteer Fire Company No. 2 performance of certain obligations as described below,

IT IS HEREBY AGREED, between the Commissioners of Fire District No. 2 in the Township of Montgomery, County of Somerset (hereinafter referred to as Commissioners) and Montgomery Township Volunteer Fire Company No. 2 (hereinafter referred to as Fire Company), as follows:

1. The Fire Company will extinguish fires and provide emergency services within the fire district and in such other areas or territories as may be agreed under arrangements for mutual aid. For purposes hereof, the term "extinguishing fires" shall be used in its broadest and most universal sense.
2. Nothing herein shall be construed to increase any liability on the part of the Fire Company and/or the Commissioners to the public for errors or omissions in the performance or non-performance of its duties hereunder or pursuant to any other requirement.
3. The members of the Fire Company, in performing fire duty, shall be deemed to be exercising a governmental function. For purposes of the Agreement, firefighters shall include all members of the Fire Company.

Upon request, the Fire Company shall make its By-Laws and SOGs available to the Commissioners for review.

5. Commissioners shall provide worker's compensation insurance coverage for all members of the Fire Company, liability insurance coverage for the Commissioners' apparatus, vehicles, and equipment, and property and casualty insurance for the firehouse of the Fire Company. Copies of all liability, workers compensation, and property and casualty insurance policies shall be furnished, upon request, to the Fire Company. 8. Commissioners will provide funding for firefighting apparatus, related equipment, and firefighter training which complies with NFPA, OSHA, the State of New Jersey and other recognized standards (hereinafter referred to as Recognized Standards). Commissioners will provide funding for maintaining their apparatus and equipment in accordance with manufacturers' specifications and Recognized Standards. 10. Commissioners may, but shall not be required to provide life and/or health insurance for members of Fire Company, but not in excess of any statutory limit, and any insurance, once in force, may not be terminated by the Commissioners without furnishing at least thirty (30) days prior notice to the Fire Company. 11. In consideration of the Commissioners paying rent to the Fire Company in the amount of \$192,000.00 per annum or as budgeted in the Commissioners' annual Fire District Budget, the Fire Company will house the apparatus, vehicles, and equipment of the Commissioners in a reasonably safe and secure manner and will observe all reasonable rules and regulations promulgated by the Commissioners for the care and maintenance of same. The Fire Company shall also provide the Commissioners with office and meeting spaces. The amount of the rent may be renegotiated during the term of this Agreement or any extension of this Agreement, which shall be evidenced by the amount being

15. All duties, obligations and activities of the parties pursuant to this Agreement shall be exercised reasonably and in good faith.

16. Notwithstanding anything herein to the contrary, the Commissioners will exercise jurisdiction over the Fire Company in fire district related matters only and will not interfere or seek to regulate the internal administration of the Fire Company.

18. At the end of each term of this Agreement, and in the absence of a new or replacement Agreement, the Agreement shall automatically renew for two additional one-year terms, unless either party provides the other with written notice that it does not intend to renew the Agreement. Such notice shall be in writing and must be provided at least 45 days before the end of the relevant term.

7. ROCKY HILL does hereby hold harmless and indemnify the BOARD from any and all claims, demands, suits or causes of action, including attorney's fees and costs and expenses of suit, of any nature arising from or involving ROCKY HILL'S provision of services pursuant to this Agreement. 9. In the event that his Agreement renews for an additional term(s) as provided, and thereafter sufficient funds shall not be appropriated for the payment provided herein during any such renewal period, and if the BOARD has no funds legally available for the said payment from other sources, then this Agreement will terminate within fifteen (15) days of the BOARD'S budget not passing the public referendum thereon, or within fifteen (15) days of the municipality denying the inclusion of funds in the BOARD'S budget for the payment, whichever occurs later. In the event of termination pursuant to this paragraph, the BOARD shall pay a pro-rata payment to ROCKY HILL covering the period of time based on the number of days elapsed between the beginning of the then-current term and the termination date.
